The First JIPF International Photographic Exhibition

JIPF will hold "the First JIPF International Photographic Exhibition" in a beautiful historical City of Kyoto
The event will take place at The Kyoto Municipal Museum of Art.

GENERAL CONDITION OF ENTRY

1. This International Exhibition invites amateur and professional photo artists from all over the world (except members of the Salon Committee and members of the jury).
2. The images must be sent by CD/DVD. **This salon only accept DIGITAL images. (JPEG) JPEG format with color space sRGB. Minimum dimension is 3000 pixels/longest side, 300 dpi**
Accepted images are shown in public slide show, and also exhibited as high quality prints made by JIPF.
3. Each participant can submit up to 4 images in each section. Photographers shall name their files as follows: author's surname, first name, last three numbers of author's phone number, category with number, and finally title of the photo in English block letters, the title not exceeding 35 letters.

4. The entry form must be sent by regular mail signed by the author together with the CD/DVD. Contents of the entry form and the CD/DVD must be identical. The salon organizer does not accept responsibility for any misuse of copyright. The photographer is responsible for the legal contents of the photographs. All parts of the images must have been photographed by the author.
5. All submitted material will not be returned, but be archived by JIPF for one year, and then destroyed.
6. The result of the competition will be announced on the JIPF website on 20th May, 2012. JIPF will handle the entries on CD/DVD with great care, but accept no responsibility for damages or loss during "the Photo Salon period".
7. Each participant, who has paid the entry fee, and respects the conditions of the salon, will receive a free copy of the Exhibition CD catalogue, whether or not the works have been accepted.
8. Entries received without entry fee will not be judged.

Section A: Open Color Digital max. 4 images

Section B: Open Monochrome Digital max. 4 images

Black and white (Monochrome, FIAP Definition)

A black and white image is a monochrome work with tones from very dark grey (black) to very clear grey (white). A black and white image toned entirely in a single color will remain a monochrome work, able to stand in the black and white category and can be reproduced in black and white in the catalogue. On the other hand, a black and white image modified by partial tone or by the addition of one color to a part of the image counts as color image and should be entered in the color category.
